Challenge the Pro

Our Pro golfer is stationed at our signature 11th hole and offers a challenge to all golfers that he can get the ball closest to the hole. The golfer then has the ability to use the pro's ball as his shot.

A great location for photo opportunities at this spot, also for any non-golfers of whom can be stationed here and greet the golfers as they pass through and enjoy a glass of champagne (additional charges apply for a champagne station).

All banners must arrive at least 24 hours prior to the event and clearly marked with hole locations, to ensure that all banners can be set up early in the morning prior to the event commencing.
